

GO VERTICAL !!! Show MORE and Sell MORE with our 2 & 3 Level ECE Series Hot Grab & Go Merchandisers PERFECT FOR CHECKOUT LANES

Our 2 Level ECE2 Series DOUBLES your merchandising display and SELLS MORE ! More variety creates more impulse sales to grow your hot food program. Based upon hourly and daily traffic patterns, you can utilize infinite temperature control for each individual hot deck, controlling shrink, while maximizing merchandising impact.

Open on the front and sides – there is NOTHING between your shopper and your next impulse sale !

Our 3 Level ECE3 Series TRIPLES your merchandising display and SELLS MORE ! This three-level case is ideal, not just for rotisserie chicken, but for all packaged foods. Turn off one hot deck and merchandise dry goods during slower sales periods. If you are selling hot food full service, you won't believe the profitability of this self-service unit due to reduced labor costs, convenience for shoppers, higher sales and lower shrink.

This unit is a MONEY MAKER and a SELL-THROUGH BEAST !

Options, accessories and features – create the perfect merchandiser for YOUR food service operation!

MAX OUT YOUR MERCHANDISING WITH TWO OR THREE HOT LEVELS

Increase sales in a compact footprint by going vertical! This three-sided shop-around multi-deck case can offer as much or as little as you desire, in 3' / 4' / 5' / 6' standard or custom configurations.

DOUBLE DUTY !

3 sided open display is perfect for checkout lane end cap – get rid of one soda cooler and replace it with a hot food display. It will be the last thing your shoppers sees before checkout and you won't believe the impulse sales. I don't feel like cooking tonight – BINGO !!

MAXIMUM SHELF TAG SPACE

Two or three levels of sign track allow for easy, organized display of product signage.

INFINITE HEAT CONTROL - EACH INDIVIDUAL LEVEL

Control the top and bottom heat on each tier! Heat lamps and hot decks feature individual temperature control, allowing you to intelligently stock your case and minimize shrink based upon periods of fluctuating demand. Merchandise dry goods on one shelf while selling hot rotisserie chicken and packaged grab & go products on other levels at the same time!
