

**Build your hot food sales & profits
with our IMN Series *Island Express*™ &
Island Express PLUS™ Two & Three Level
Rotisserie Chicken & Hot Packaged Food
Merchandiser**

With plug & play convenience, a full range of sizes and capacities at an affordable cost make this an ideal vehicle to either start a hot grab & go program or expand your existing hot packaged food program. Start with one unit and add more as your business grows, or as you add food product categories. Based upon hourly and daily traffic patterns, you can tailor how many levels are in use to maximize merchandising impact, while controlling shrink, utilizing infinite temperature control for each individual hot deck.

This two or three level case is ideal, not just for rotisserie chicken, but for all packaged foods – turn off the heat on a lower level to merchandise dry goods for cross merchandising impulse sales opportunities. If you are selling hot food full-service, you won't believe the profitability of this self-service unit due to reduced labor costs, convenience for shoppers, higher sales and lower shrink.

**This unit is a MONEY MAKER
and a SELL-THROUGH BEAST !**

Atlantic **HOT** Food Bars offers the **MOST** features & options - create the perfect hot case for your food service operation !

OPTIONAL 3" HOT MERCHANDISING DECK

Increase your merchandising impact in the same footprint - no additional floor space required to boost your selling capacity! Height only increases by 3", so maintaining accessibility is not a problem for your shoppers.

STAINLESS STEEL, POWDER COATED OR LAMINATED BASE

Available in any color of your choice ! Match your store décor package or make the case stand out like a traffic light !

WIDE MODEL

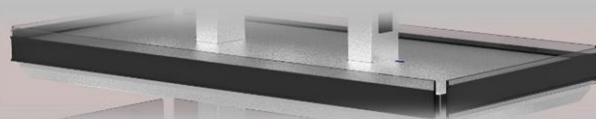

Have lots of traffic and lots to sell? Maximize your capacity with our 45" wide model!

SAFETY SHIELD ON EVERY LEVEL

Protect your shoppers (especially those curious young ones) with safety shields on every level of your hot case.

3" PRICE TAG MOLDING ON ALL 4 SIDES

Custom sign package included to help you sell-through your offerings with clear labeling from every angle of visibility!

INFINITE HEAT CONTROLS – EACH LEVEL

Easily monitor and manage the heat on each level INDIVIDUALLY with controls hidden behind the base hinged access doors so that you can sell different products at different heats on different shelves. Or, turn off the heat on any given shelf to display dry goods! Digital solar thermometers included for each hot deck.
