

Make your Hot Grab & Go Food offerings MOBILE with a self service profit center anywhere in your store with our HH-NG Series Mobile Hot Grab & Go Merchandiser !

In a footprint as small as 36", you can increase your offering, create more impulse sales, and grow your hot food program. Based upon hourly and daily traffic patterns, you can double stack while maximizing merchandising impact and continuing to maintain temperature.

Next generation features include long life, energy efficient ceramic top heat, LED lighting, thermostatic hot well control, modular merchandising base, and digital controls.

This mobile merchandiser can be rolled into any department of your store, and is ideal, not just for rotisserie chicken, but for all packaged foods. If you are selling hot food full service, you won't believe the profitability of this self-service unit due to reduced labor costs, convenience for shoppers, higher sales and lower shrink.

This unit is a **MONEY MAKER** and a **SELL-THROUGH BEAST !**
