

Build your sales and profits in a small footprint with our BILR & BILR-LP Series Self-Service Two & Three Level Salad & Olive Bars ! Scroll down to learn more about how this case can enhance your fresh food offering

The BILR Series 3 Level merchandises **TWICE AS MUCH** food as a standard one level one-sided bar. It exceeds the capacity of our BILR-LP by **33% IN THE SAME FOOTPRINT**. Our “No-Visible-Means-Of-Support” Sneezeguard offers optimal visibility and convenience. This sneezeguard is made with scratch resistant tempered glass. Brilliant LED illumination on every level shows off the food and makes it visible from 100 feet away. Our built in container shelf in the body maximize merchandising space. Upgrade the base model with options such as a front extension kit for additional counter space or a salad dressing storage and display template to keep your bottles organized and neat.

Our BILR-LP Series 2 level refrigerated bulk food bar offer you a way to merchandise **50% MORE** olives and antipasto and salad bar items in a linear footprint compared to a standard one-sided salad or olive bar. Further, the vertical “waterfall” design makes for an enhanced display that attracts your shoppers’ attention and builds impulse sales. Our air overflow refrigeration system keeps your food cold and fresh and if you order self-contained refrigeration, this is a simple plug & play – no contractor needed. It is available in lengths from 48” to 16’ long.
