Options, accessories and features create the perfect merchandiser for YOUR food service operation!

MAX OUT YOUR MERCHANDISING WITH ONE, TWO OR THREE HOT LEVELS

Increase sales in a compact footprint by going vertical! This shop-around multi-deck case can offer as much or as little as you desire, in 3' / 4' / 5' / 6' standard configurations.

INFINITE HEAT CONTROL - EACH INDIVIDUAL LEVEL

Control the top and bottom heat on each tier! Heat lamps and hot decks feature individual temperature control, allowing you to intelligently stock your case and minimize shrink based upon periods of fluctuating demand. Turn off the heat to merchandise dry goods at off-peak times, and pack it out and sell hot rotisserie chicken and packaged grab & go products when the time is right!

COLUMN WRAP 360° DISPLAY

Columns don't have to kill valuable selling space in your stores! Forget about leaning cardboard product stands up against your store columns to hide their unsightliness - this feature allows you to turn dead space into beautiful merchandising centers. We can build the case in two halves to be installed around a column with any dimensions.

SIGNAGE TRACK ON EVERY LEVEL

Multiple levels of sign track allow for easy, organized display of product signage. Your individual labels slide right into the price tag molding the moment you receive the merchandiser!
